Mission: Crafting prize winning handmade wine. Utilizing the short but intensive Nordic summer, Skærøgaard produces gold medal winning hand-crafted wines of all types with minimum intervention and using disease resisted spray-less grape types. Denmark is new - but already recognised - among wine producing nations, with the first vintage being 2001. Skærøgaard is categorized as Regional Wines from Jutland (*Protected Geographical Indication*), offering quality wine experiences in conjunction with the renaissance of Nordic Food. A part of Skærøgaard production is certified organic.
