Mission:

Crafting award-winning handmade wine. Utilizing the short but intensive Nordic summer, Skærøgaard produces gold medal winning, hand-crafted wines of all types with minimum intervention and using disease resistant spray-less grape types. Denmark is new - but already recognised - among wine producing nations, with the first vintage being 2001. Skærøgaard is categorized as Regional Wines from Jutland (*Protected Geographical Indication*) and *Protected Designation of Origin* for sparkling wine; offering quality wine experiences in conjunction with the renaissance of Nordic Food culture. A major part of Skærøgaards production is certified organic.
